

## OHVMA Best Practice Poster

OHVMA would like to invite you to share a Best Practice with your peers in volunteer management. Best practices are important because they help develop highly effective processes to streamline work and can improve overall satisfaction for our customers, staff and volunteers.

Have you implemented a new process or have had a process improvement with an existing program that has benefited patients, staff and or volunteers? Do you feel this new Best Practice could be duplicated in other organizations? If the answer is yes, consider creating a poster with the details and outcomes for the Best Practice. All submissions will be on display at the OHVMA Fall Conference.

Please include on the poster your name, hospital and contact information so others can reach out to you to network ideas and ask questions.

Poster submissions are due by September 25th and should be sent to:

ProMedica Memorial Hospital  
Atten: Annette Overmyer  
715 S. Taft Avenue  
Fremont, Ohio 43420
